Description of Project (preliminary):

Funding secured for project (if any):

I will complete all requirements for the Honors Thesis, including enrollment in AMST691H (Fall 2019) and AMST692H (2020). I have contacted and secured a thesis advisor who is a faculty member or an adjunct in the American Studies department. I recognize that it is my responsibility to arrange weekly or biweekly meetings with my advisor during the Fall and Spring Semesters. I recognize that if I choose not to complete the thesis in Spring 2020, or if I have not made sufficient progress on the project during Fall 2019, AMST691H will revert to an Independent Study in the AMST department.
